Section 7-26

Michigan Physician Orders for Scope of Treatment (MI-POST)

Aliases: POST

Purpose: The purpose of this policy is to provide a guideline to prehospital providers, who under certain circumstances may accommodate patients who do not wish to receive and/or may not benefit from certain interventions. This protocol is drafted in accordance with Public Act 154 of 2017. This protocol is intended to facilitate kind, humane, and compassionate service for patients who have executed a valid MI-POST under the law.

I. Definitions

- A. Attending health professional – means a physician, physician’s assistant, or certified nurse practitioner, who has primary responsibility for the treatment of a patient and is authorized to issue the medical orders on a POST form.
- B. Patient – means an adult with an advanced illness or means an adult with another medical condition that, despite available curative therapies or modulation, compromises his or her health so as to make death within 1 year foreseeable though not a specific or predicted prognosis.
- C. Guardian – means a person with the powers and duties to make medical treatment decisions on behalf of a patient to the extent granted by court order under section 5314 of the Estates and Protected Individuals Code, 1998 PS 386, MCL 700.5314.
- D. Patient Advocate – means an individual designated to make medical treatment decisions for a patient under Section 496 of the revised Probate Code, Act No. 642 of the Public Acts of 1978, being section 700.496 of the Michigan Compiled Laws.

II. Introduction - EMS providers who encounter an approved MI-POST in the field should be aware of the different levels of care in Sections A and B of the form.

III. Procedure for Use of Form

- A. Section A – Applies to only individuals who do NOT have a pulse and are not breathing upon arrival of EMS personnel or become pulseless or apneic during treatment.
 - a. If *Attempt Resuscitation* is checked, provide treatment according to appropriate **Cardiac Arrest** protocol.
 - b. If *DO NOT attempt resuscitation* is checked, refer to **Pronouncement of Death/Death in an Ambulance** protocol as appropriate.
- B. Section B – For patients who have a pulse and/or are breathing
 - a. Comfort-Focused Treatment
 - 1. Patients should receive full palliative treatment for pain, dyspnea, hemorrhage, or other medical conditions (including medication by any route) according to applicable protocols.

2. Relief of choking caused by a foreign body is appropriate, but if breathing has stopped and the patient is unconscious, ventilation should not be assisted.
3. Follow appropriate transport and destination protocols as needed.
- b. Selective Treatment
 1. All patients receive comfort treatment plus:
 2. Treat medical conditions according to protocol including IV therapy, cardiac monitoring, medications, and non-invasive airway support.
 3. Do not use invasive airways (including supraglottic airways).
- c. Full Treatment
 1. All patients receive comfort treatment, plus:
 2. Full treatment should be provided. This includes, but is not limited to, intubation, other invasive airways, and mechanical ventilation.
- d. If no box is checked, Full Treatment is implied.

IV. MI POST Form

- A. An example form is contained in this protocol. The original form will generally be pink, but copies of the form are valid (paper or digital).
- B. The form must be dated within the last year. Note: reaffirmation dates should be counted as the most recent date, see Section G.
- C. The form must be signed by the attending health professional and the patient or the patient advocate/durable power of attorney for healthcare. A verbal order notation is valid for 72 hours.
- D. All previous versions of the form are valid, if all the above are true and there are no marks indicating a revocation on the form.
- E. The form is voluntary and may be revoked:
 - a. By the patient, at any time when the patient can communicate their wishes.
 - b. By the patient advocate/durable power of attorney for healthcare when it is considered to be consistent with the patient's wishes or in the patient's interest when the patient's wishes are unknown.
 - c. By the attending health professional when there is a condition change that makes the orders contained on the POST contrary to accepted healthcare standards.
- F. If there are issues with the form or the orders contained therein, contact Medical Control for direction.
